

# ALASDAIR GILL *at* BENTLEY'S

5th OCTOBER 2026

*Alasdair Gill trained in some of London's most demanding kitchens, and his cooking carries that discipline lightly. For one evening he brings the recipes of Knives and Spoons to the Oyster Bar.*

*Alasdair is the son of A.A. Gill, among the finest writers ever to turn his attention to restaurants, and a man with a long affection for this one. We are delighted to welcome the Gill family back.*
