Bentley's Smoked Salmon £26 Crispy Hen's Egg, Caviar

What else to serve than the dish Chef Patron Richard Corrigan cooked for the Queen herself on her 80th Birthday?

The salmon is smoked over oak on the Bentley's Rooftop, and served with a gooey Hen's Egg and Caviar - the most luxurious way to start a meal!

Royal Fish Pie £65 Haddock, Prawn, Salmon, Scallop, Lobster

At long last, the Royal Fish Pie makes its grand return to our kitchen.

Originally named in honour of the Danish Royal Family who regularly tucked into it, this luxurious take on our Classic Fish Pie features Scallop, Lobster, a Sauce Americaine made from Lobster Shells and a Lobster Head adorning the top.

This wonderfully decadent feast is one of Chef Corrigan's favourites, and we're delighted to see it back.
